

**Spring** is in the air! We hope you have had a chance to get out and enjoy the nicer temperatures.

## LAGOON PROGRESS UPDATE

In 2019 we hope to complete phase 2 of the project which includes the new lift station. Our engineer has been working hard to finalize the plans for this portion of the project. Once the plans are finalized the project will go to tender. We anticipate work beginning on this project later this summer.

## FLORAL PLANTERS

The floral planter program will once again be a part of our beautification plans for 2019.

All planters are uniform in size and will have a sign depicting the sponsor and/or message. Example: *"In Memory of a Loved One"* or *"Sponsored by the Happy Family"*.

Planters are \$150 for the first year. This includes the cost for the sign. Each subsequent year is \$100 and is invoiced each spring.

If you are interested in participating in this program, please contact the Town Office (306-482-3300). All donations made to the beautification

program will receive an income tax deductible receipt.

**DO WE HAVE YOUR EMAIL ADDRESS?**

If you would like to receive your utility bill by email, take a picture of this and email it to us at [info@carnduff.ca](mailto:info@carnduff.ca) We will then add this feature to your bill and you will receive your July bill by email.

## CIVIC ADDRESSES

Do you have house or building numbers located on your home or place of business? House or building numbers are very important when it comes to emergency situations. Without a house or building number emergency service personnel may not be able to locate you in an emergency situation. We

would like to ask all property owners to please ensure all of your property has proper signage indicating your civic address number.

The Town is doing our part in ensuring our public facilities are also

clearly marked. In 2019 we will ensure all of our public buildings have proper signage.

## OUTDOOR FIREPITS

It's that time of year and we would like to remind residents of a few things regarding outdoor fire pits.

All fire pits are to be covered with a metal screen, located on private property at least 10 feet from any property line, building or other combustible structure. They must also be separated from grass or any other vegetation by a distance of at least 16 inches. See bylaw #449-13 for more info.

## STRAY CATS

We have received a number of complaints regarding stray cats on private property. We would like to ask residents to please be courteous of neighbours and ensure cats are properly looked after.

If you are having trouble with stray cats on your property, the Town of Carnduff has a trap we can provide to residents to trap the cats. Once trapped, they will be held for 72 hrs.

Pictures of the cat will be posted on our website ([www.carnduff.ca](http://www.carnduff.ca)) under news, on our Facebook Page and in the lobby of the Town Office. If the cat is NOT claimed within 72 hours, we will do our best to place the cat in a new home. Whomever the cat belongs to will be responsible for all boarding and/or care charges prior to its release.

If you know of a farm or anyone looking for cats, please contact the Town Office.
