

Happy Summer! Wishing all of our residents a safe and fun summer!

LAGOON PROGRESS UPDATE

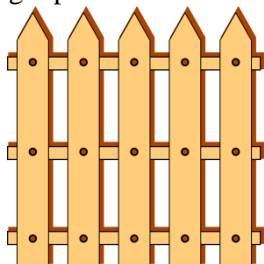

We are nearing the tender stage for Phase 2 of our project.

This phase includes an upgrade to the existing lift station and the construction of a new lift station. We anticipate construction to begin late summer.

DID YOU KNOW..... ABOUT FENCES

Do I need a permit for a fence? Yes, you require a development permit for the construction of a fence. Applications can be found online or you can stop by the office and pick one up! (Note: A development permit is different than a building permit. A development permit ensures all zoning requirements are being met, etc. A building permit ensures all building meets National Building Code standards and

are reviewed and inspected by a building official).

For residential fences, the maximum height requirements are:

- * 3 feet above grade level in a front yard
- * 6 feet above grade level in a rear yard
- * Note: this may differ on a corner lot where site triangles need to be taken into consideration.

Did you know that the swimming pool calendar can be found online?

From a mobile device:

Visit www.carnduff.ca and search for Recreation Schedules then click on Carnduff Swimming Pool Schedule (You can then book mark it to your home screen so you have it handy)

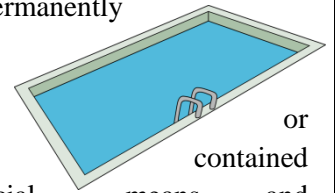

From a computer:

Visit www.carnduff.ca and click on Resources/Rec Schedules and then click on the Carnduff Swimming Pool Schedule

DID YOU KNOW..... ABOUT RESIDENTIAL SWIMMING POOLS

By definition in our Zoning Bylaw, a swimming pool is any body of water permanently located

outdoors or indoors, contained by artificial means and used and maintained for the purpose of swimming, wading, or diving and having a depth of 2 ft or more at any point.

Our Zoning Bylaw has the following requirements for a swimming pool:

- * No part of such pool is located closer to any lot or street line than the minimum distance required for the principal building located on such lot.
- * The maximum height of such pool is 4 ft above the average finished grade level of the ground adjoining the pool and to within 15 ft of such pool.
- * Every swimming pool shall be enclosed by a non-climbable and lockable fence of at least 6ft in height and no more than 10 cm from the ground, and located at a distance not less than 5 ft from the pool.
- * Any deck attached to or abutting a swimming pool shall be considered as part of the swimming pool

DID YOU KNOW

YOU CAN CHECK YOUR OWN WATER METER

The town reads the water meters every three months for billing purposes. At this time we are also able to do a leak report of properties with leaks. We want to ensure residents know they can check for a leak at any time themselves. To do this, open the black cover on the water meter and shine a bright light on the sensor. Once the meter loads up, it will show some numbers. These numbers are the actual meter reading. If you have a continuous leak, there will also be a solid picture of a leaking tap. If you have an intermittent leak, it will flash the same picture of the dripping leak. If you have a leak and have fixed it, give the meter 24 hours to clear the leak as it needs to run a 24 hr cycle to clear if the leak has stopped.

HISTORY BOOKS

We still have history books for sale! They can be picked up at the town office.

\$25 per set

(Includes both editions)

If you are reading this... call us at 482-3300 to claim your free Dr. Hobb's print. (Limited to the first 25 callers).

REC REPORT

Greetings from the Recreation Office!

At the Diamonds, as the Senior Astros wrap up their League, Provincial teams are busy prepping for their Provincial Championships. The Carnduff Southeast Steelers will be hosting the Women's A Provincial Championships on July 20-21st. The first game is Carnduff Steelers vs Saskatoon G-Force @ 1:30pm; draw/tournament information is posted on the Carnduff Ball Park Facebook page.

As of May 1st, Stevie's Campgrounds (located by the Diamonds) are first come first serve. Full-service sites are \$700 monthly, \$200 weekly and \$35 daily. Electrical sites are \$600 monthly, \$180 weekly and \$30 daily. Non-service sites are \$500 monthly, \$150 weekly and \$25 daily. The on-site campground contact is the Diamond Groundskeeper Dennis Stovin. If you have questions, please call the Rec Office.

Things are in full swing at the Swimming Pool. There's daily Public Swimming and Lap Swim Monday through Friday. Audio-led Aquasize classes started on July 2nd. There are spots available in Session #3 July 22-26 and Session #4 August 12-16 for Swimming Lessons and Parents & Tots. More information about Aquasize, Parents & Tots and Swimming Lessons can be found at the pool or on the Carnduff Swimming Pool Facebook page. The Town of Carnduff would like to thank Sherry LaBelle of Affinity Credit Union for donating \$200 from their Community Spirit Fund to the Carnduff Swimming Pool!

Facility schedules can be found on the Town of Carnduff website www.carnduff.ca under Rec Schedules. To find upcoming event information, please check out the Carnduff Ball Park, Carnduff Swimming Pool and the Carnduff Rec Board Facebook pages.

If your interested in renting one of the Recreational Facilities, advertising or making a donation, or have any questions give me a call or message the Recreation Office at 306-339-7687.

We would like to thank Chantelle Trimble for her time as the Rec Director & Facilities Manager for the Town and R.M. We appreciate your dedication and everything you brought to this position. We wish you all the best with your future endeavours. Chantelle's last day is July 17th.

We would also like to welcome our new Rec Director & Facilities Manager, Jodie Wall. Jodie begins her position on July 22nd. We wish you all the best in this new position!
