

We hope this newsletter finds all our residents well. We are living in different times and we hope you are able to stay healthy and active as we work through this pandemic together. As they say we are stronger together than alone! If you are struggling at this time we hope you reach out for help.

This is the first of a now monthly publication. With the switch to monthly water bills, we are taking the opportunity to increase *The Scoop* to a monthly publication.

There will be a few changes with it. Page 1 will continue to be Town specific information however Page 2 will have space for community and organization information. This newsletter and the recent purchase of the new digital sign provided an opportunity to offer some advertising options!

If you are interested in advertising on the digital sign and in the monthly scoop you can purchase a yearly ad commitment. This cost for businesses is \$200 per year. For community, service, facility and volunteer boards the cost is \$100 per year. This will include advertising at any time on the digital sign for a specific event or promotion, space for a small basic ad in this monthly newsletter and information added to our website and Facebook page.

An individual ad can also be purchased for \$50 per event or promotion for a business or \$25 per event for community, service or volunteer boards. If you would like more information on this opportunity please email us at info@carnduff.ca

MONTHLY WATER BILLING

As you see, we have now transitioned to monthly water bills. If you would like to receive your bill via email, please give us a call at 306-482-3300 or email at info@carnduff.ca and we will be sure to get you added to ebilling.

Also a reminder, you can make payments in person, by mail to Box 100, Carnduff, SK S0C 0S0, through online banking with the Bank of Montreal or Credit Unions or you can etransfer to info@carnduff.ca

Did you know?
 In your blue recycle bin you are NOT supposed to recycle soiled tissues, napkins and paper towels, food waste of any kind, Styrofoam or any other foam packing.

REC REPORT

Welcome 2021!

The Arena has been able to keep steady with all participants 18 and under still able to practice! Keep watch on the Arena Facebook page for upcoming Shoot Around and Public Skating sessions. Everyone has been missing out on a good ole rink burger, so we are doing take out nights. Our first one was planned for January 31, 2021 with hopes of having more in the future.

The Curling Club, unfortunately, only had 2 nights of league play before they were shut down. We have a strong board who has done their best to host a few lounge nights and have the kitchen open as well to keep some activity in the building.

Did you know there is a Fitness Center at the Dean Fraser Community Center? The old Curves equipment was donated to the

FITNESS

Community Center to form the Fitness Center. The Rec Board has purchased a treadmill to add to the room as well. Hopefully it will be here and functioning by the end of March. There are guidelines in place to help protect everyone from COVID-19. If you are interested in joining or have any questions, call Jodie at 306-339-7687.

We hope you all stay safe, healthy and warm for the remainder of the winter. We hope to see you on the diamonds very soon.... hopefully 2021 brings a few less curveballs!

The Carnduff UCW is looking forward to the year with optimism and are planning the following events. More information on each will follow or for questions, please contact Bev at 306-482-8759
