

Welcome to issue #20! We hope you are enjoying and finding value in the monthly newsletter.

E-BILLING

A **BIG thank you** to everyone who has signed up to e-billing. As of the January utility bills we have **31.6%** (149 out of 471) of our properties on e-billing! This is a mailing cost savings of \$137.08 per month.

Of course, we want to transition as many residents as possible whom are interested to e-billing. If you would like to receive your utility bills via email simply send us an email to info@carnduff.ca. We will be sure to get you signed up!!

SCOOP THE POOP

We would like to ask all pet owners to please be responsible pet owners. Please pick up the unpleasant "leavings" of our pleasant friends. If all pet owners "scoop the poop" this will help to ensure clean and healthy spaces to walk and for our children to play!

PARKING

Just a friendly reminder to our residents to ensure when you are visiting town facilities including recreation facilities to be sure to park in appropriate parking spaces. Please DO NOT park or drive through private property when accessing or attending events or facilities in the community!

CONSTRUCTION

UPDATES

The Town of Carnduff has a number of projects currently on the go and we wish to update our residents on them!

Lagoon Project

The installation of the new force main is near completion. We are in the process of completing some geotechnical work which is required for a permit from CP Rail in order to place the force main under the rail line. This is the only remaining portion of the force main left to complete.

The two new pumping stations are near completion and will be brought online once the force main is complete.

The pilot project for the new bio filters at the water plant is complete. We are currently working to finish the design for the installation of the bio-filter system in the building.

This project has been budgeted at \$8.52 million. Under the NBCF (New Building Canada Fund) this project has been funded by 1/3 of each the Town, Province of Saskatchewan and Federal Government.

2nd Water Main Installation

The Town has received approval under the Federal Gas Tax Fund to complete the addition of a second water main from Spencer Street under Highway 18, connecting at 3rd Street West. This will provide for a second main line to feed the main portion of the community.

There is geotechnical work being completed in order to apply to CP Rail for a permit to construct under the rail line. Permits from Department of Highways will also need to be applied for.

REC REPORT

The Curling Club were the lucky winners of a \$2000 cash prize sponsored by Affinity Credit Union. They submitted a fantastic video to Curl Sask on "What Curling Means to Us" and won first place. The video can be found on the Carnduff Curling Club Facebook page. Our lottery draw will take place on March 15-2021, contact Jodie or any board member if you are interested in purchasing a ticket.

Carnduff Minor Sports and The Figure Skating Club are still using as much ice time as they can. We will be shutting the ice plant down on March 15th this year. Fingers crossed we are back in October in a more typical capacity. We have had fantastic support for our take-out nights, thanks to all who ordered!

The ball diamonds have set their Annual General meeting for April 13-2021. More details will be posted closer to the date if it will be in person or via zoom.

Carnduff Minor Sports ball registration is open online now. Check out their website at www.carnduffminorsports.com or their Facebook page for more information.

The forecast looks great after that nasty cold snap to get outside and enjoy the nicer temps. Be active and stay well!

TOWN OF CARNDUFF EMPLOYMENT OPPORTUNITY

Seasonal Public Works Labourers (2 Positions)

The Town of Carnduff is seeking two candidates to fill two seasonal labourer positions. These positions will consist of 40 hours of work per week. One position will begin the start of May 2021 through the end of September 2021. The second position will start the beginning of May 2021 and finish the end of August 2021. Duties to include: mowing, beautification and general public works tasks.

The successful applicant must possess the following:

- Valid driver's license equivalent to Saskatchewan Class 5
- Ability to work in a team environment
- Be self-motivated, punctual and energetic
- Rate of pay is dependent on experience

Interested persons are asked to submit an application including a resume to the Town of Carnduff Office. General applications received at the office prior to advertisement of these positions will not be considered and must be resubmitted. References may be requested. Only those short-listed will be contacted.

Application deadline for the position is 4:00 p.m. on Friday, April 2nd.

Applications can be sent to:

Town of Carnduff
PO Box 100
Carnduff, SK
S0C 0S0

Or by email to: info@carnduff.ca

Emergency Notification System

We would like to remind residents of the Everbridge Emergency Notification System that the town and R.M. use to notify residents of emergencies or restrictions that may affect them. It is important we maintain current contact information for our residents in this system. If you do not currently receive notifications or would like to confirm your current information is on file, please contact our office at 306-482-3300.
