

April showers bring May flowers! Or I'm sure that is what many people are hoping for! Enjoy issue #21!

WATER METERS

The Town of Carnduff supplies a meter to each property with water service. Did you know, as a property owner, you are responsible for the wellbeing of that meter. If the meter is damaged, it is the property owners responsibility to cover the cost of replacing that meter. If you are shutting the heat off at your property, it is important to let the Town know this so we can properly address the meter. Even when a person winterizes their water lines, there is still water left in the water meter that can freeze and break the meter.

REC REPORT

The Curling Club held a wing night on March 15th along with their raffle draw. Winners of the draw were: 1st – Rayden McMunn, 2nd – Dylan Allen and 3rd – Carol Hansvell. Thanks to everyone for supporting our raffle.

The ice is out at the arena and the renovations have started. The ice surface ceiling insulation is long past its life and in desperate need of replacement. Volunteers have removed all the old insulation and dates are being confirmed to have the new insulation installed. A big thank you to the many volunteers who make themselves or their equipment available for projects like these.

The ball diamonds have set their AGM for April 13th. More details posted closer to the date. We are planning for a full season, pending public health guidelines. Watch for news of start dates and Covid-19 guidelines on our Facebook page.

Carnduff Minor Sports ball registration is open online now. Check out their website at www.carnduffminorsports.com or their Facebook page for more information. The Minor Sports AGM is set for April 27 at 7:00 pm via Zoom. If you have not received the email to register and would like to, please email carnduffminorsports@gmail.com and we will forward the link to you.

The Golf Course also has a different look this year. There were many trees with shallow roots causing damage to the equipment and fairways. Many volunteers were out in the early winter to remove some of the trees causing damage and work this spring has been ongoing cleaning up and releveling the ground as necessary. As with every year, opening day is dependent on weather. Watch for our NEW Facebook page with all the details as they come available!

Have an idea of something you would like to see in Carnduff, let Jodie know at recboard@carnduff.ca or call 306-339-7687. We are always open to your ideas and suggestions!
