

We hope you enjoy Issue #22!

ANIMAL CONTROL

There has been ongoing discussion with Animal Control within the Town of Carnduff. Council is currently undergoing a review of the Animal Control Bylaw #472-15 to ensure it meets the needs of the community. We will keep the community apprised to any changes.

The Town is currently looking for an Animal Control Officer whom will be responsible for the enforcement of the bylaw. As a citizen, if you witness a contravention of the bylaw, you are asked to report it in writing to the Town Office. If the complaint contains enough information to support a bylaw violation, the owner will be served a violation.

Complaints must be written and include a date and time of the incident, a summary of what happened, animal owners name if known, and a signature of the person submitting the complaint. If you are able to submit supporting proof, that is always useful. This information is required in the event the violation is taken to court.

It is important to know the Town does not have the authority to deem a dog dangerous. This must be done by the courts.

If your concern is regarding the health and welfare of an animal, your concern can be reported to Animal Protection Services by calling 1-844-382-0002.

REC REPORT

Happy Spring from the Rec Office!

Ball season is just around the corner, we have Dawson Connelly back this year as groundskeeper and a full crew of teams ready to start practices the first week of May. At this time, we can only have 18 years old and younger practice and there are group size guidelines we need to follow for training but we are all happy to get the kids out there and are hopeful to be playing games later this season.

The Town of Carnduff would like to welcome Mariah Miller as Pool Manager. We don't have a projected opening date

as we await the most recent guidelines but anticipate having a great year much like last summer!

The Arena is receiving a facelift this week having the ceiling insulation replaced. We are excited to have this complete early to be prepared for a regular season start in the fall.

We have a new sport being tried in town! Carnduff Lacrosse Association was formed this spring and has been hosting practices for 6u, 8u and 10u. Check out their Facebook page to keep up to date with them.

Carnduff Golf Club is open for the season. To book a tee time, please contact the club house at 306-482-3919.

To find upcoming event information, please check out the Carnduff Ball Park, Carnduff Golf Club, Carnduff Swimming Pool and the Carnduff Rec Board Facebook pages.

If you have any questions or suggestions, give me a call at the Recreation Office 306-339-7687.
