

A little inspirational quote for you as we roll into February by Dalai Lama "Be kind, whenever possible. It is always possible!"

SNOW, SNOW, SNOW

We would like to start off by thanking our public works crew! They have spent countless hours over the last number of weeks performing snow removal to keep our roads open. They continue to work hard to get everything opened up!

We would like to ask residents, when possible, please refrain from parking on the street when snow removal efforts are happening. This allows our crew the ability to properly clear the street.

The amount of snow we have received to date this year has caused some challenges for our crew. We appreciate our residents patience while they work through some of these challenges.

Interesting snow removal fact... on one particular day in January approximately 100 loads at 12-14 yards per load of snow was removed off our streets and corners (this was before the last big snowfall).

DOG LICENSES

It's that time of year again! Dog licenses are once again due. The cost for the annual license is \$20 per animal. You can renew your

license a number of ways. Residents are welcome to pop by our office during regular business hours to complete the registration. You may also make payment online through our banking institution (we are registered with BMO or the Credit Unions), e-transfer to info@carnduff.ca. If you do make payment online, we ask you send a quick email to info@carnduff.ca with the dogs name, breed, age, if their shots are up to date and if they are spayed or neutered.

LOCAL ORGANIZATION/VOLUNTEER:

Carnduff Curling Club

The Carnduff Curling Club board consists of President Alex Huish, Vice President Darin Trimble, Secretary Rachelle Apperley, members at large Cassie Carriere, Lindsay Huish, Cory Meredith, Shane Sterling, R.M. Rep Don

North, Town Rep Greg Wall and Rec Director Jodie Wall.

The club has a mixed curling league of seven teams that curls on Monday nights. Our senior league has recently paused for the time being but typically curl Monday and Thursday afternoons. The club is always looking for new people to join the leagues so please feel free to reach out to any board member if you have any questions about joining!

The Lions Club uses the upstairs lounge on Thursday nights. The club always appreciated their partnership and support with the building.

The Curling Club also operates the upstairs bar as a revenue stream for the club. The volunteer board opens the bar after weekend home Red Devil games. Feel free to stop by for a drink following the game or in between periods! You can also rent the ice surface or the upstairs lounge for a party so be sure to keep that in mind!

The club is currently planning an open bonspiel for March 11, 12 & 13. Please call or text Rachelle at 306-482-7094 if you would like to register a team.

One of the favourite events they host is Shuffleboard Curling. It combines shuffleboard and curling to make a fun game for anyone and any age. The curling stick aids are used to deliver rocks, so you are not getting down in the hack! All are welcome to join at the next event!
