

August...that means summer is just clipping right along. We hope you are enjoying the warmer weather and spending time doing the things that bring you joy!

DUTCH ELM DISEASE (DED)

You may have noticed a few trees with red rings painted around them. These trees have been identified as diseased with dutch elm. The survey of our community was recently completed by Livingtree Environmental. We are just waiting on the final report findings. Once these are received, we will be in contact with anyone with a diseased or suspected diseased tree on their property. We do know they found less diseased trees this year than last so that is a good sign! We thank all of our residents for their support in trying to eradicate this disease and save the many healthy elm trees we still have in our community.

HISTORY BOOKS

We still have sets of history books for sale! Both editions are available for a cost of \$25 per set (\$15 per book). Stop by the Town Office to grab yours!

BUYER BEWARE

We would like to remind residents when buying a new home or business there are a few things you should be aware of. When a property is purchased, be sure to check on unpaid taxes and utility accounts. This can be done by requesting a tax certificate for a fee of \$20. Any unpaid taxes or utility accounts which are not included in the sale agreement become the responsibility of the new owner.

SPRAYING

We ask that residents please be cautious of what chemicals you are using in your yards and any dangerous effects that may be associated with them. Please be courteous of the affects it may have on your neighbor as chemicals may cause health complications.

REC REPORT

The Ball Park had such a busy season and we couldn't have done it without all the best volunteers a community could ask for. We hosted the 11U and 15U Moose Mountain Minor Baseball League tournament as well as hosting the 11U Tier 6 Provincial Playoffs and the 15U Tier 5 Provincial Playoffs. Both our local teams had a great tournament with the 15U's winning the gold medal in front of their hometown crowd. The Astros senior men's team also hosted a double header in July and was home to a playoff game before competing in the Harbourne tournament in Estevan to finish their season off.

The swimming pool has been busy with two sets of lessons held in July, with one more week of lessons August 15-19. If you are interested in registering for lessons, give Jodie a call at 306-339-7687.

We also have a Neon Fun Swim night on August 5,

2022 from 10:00pm to 1:00am. There will also be a free public swim day on August 6 sponsored by C.A. Shaw Insurance. Did you know we have changed our public swimming hours from previous years and now offer public swim some weekdays starting at 10:00a.m. The live schedule can be found on the Town of Carnduff website under recreation schedules.

The Carnduff Golf Club has been host to the Ladies Antler Creek tournament this past month and will see the Carnduff Oilmen's tournament the start of August. The rain we've been having has certainly been beneficial to the course, it is in fantastic shape. If you haven't been out for a round, you are missing out.

It won't be long before hockey and curling registrations will be out, keep your eye on their Facebook pages for all the latest updates.
