

Autumn leaves shower like gold, like rainbows, as the winds of change begin to blow. – Dan Millman

PROPERTY LINES

From time to time, we are asked questions about finding property pins. Our staff are not legal surveyors so we are unable to locate someone's property pin or lines for them. Residents can try to locate their own property pins if they want which can sometimes be found using a metal detector. However, the only way to ensure you have located the proper property lines, is by hiring a legal land surveyor.

UPDATED CONTACT INFORMATION

If you have cancelled your land line phone number we encourage you to call our office with a current phone number. It is important we have contact information for our residents in the event of an emergency and we need to reach you! Please contact us with any changes to your information!

SPRINKLER LINES

Just a friendly reminder to make sure you blow out your underground sprinkler lines. This will ensure no freezing in the lines which can cause leaks in your ground. If you do get a leak underground it can be hard to find and cause you a lot of unwanted stress in the spring!

CEMETERY BENCHES

Have you seen the outdoor memorial service area at the cemetery? If you haven't we encourage you to check it out. It is a great space to hold an outdoor memorial. You will notice a number of memorial benches at this area. Any donation of \$1000 or more towards the cemetery project will receive the option to have a name engraved on a bench!

In the Spotlight

Congratulations to the Carnduff Education Complex and the community on an a very successful Terry Fox Run. The annual event was held at CEC on Wednesday, September 28th.

\$8000 was raised as a school and community!!

A big thank you goes out to school organizer Jessica Morland. Thank you to Sherry LaBelle and Linda Apperley for findings sponsors, planning and organizing the hot dog lunch. Event sponsors included: Carnduff Co-op Ltd, Spencers Foods, Westend Convenience Store, Fast Trucking, Suck It Up Hydro Vac Service, Eagle Sky Ventures, Competition Transport, Forsyth Hauling 2010 Ltd, Integrity Oilfield Hauling Ltd, Anderson Enterprises Ltd., and Powell Autobody. Thank you also goes out to the hot dog sale workers Linda Apperley, Julia Day, Emily Day, Marge Sobb, Carol Vanstone and Verdeen Matthewson.

REC REPORT

The ice is going into the Arena this week! Power skating and conditioning camps start on Monday, October 3. Once again, we had a busy off season at the arena with the ceiling insulation being replaced and our new lobby seating has arrived as well. We can't wait until it is all installed and ready to show off to everyone. The Red Devil game schedule has already been added to our online calendar, the minor hockey schedule will be posted before the end of October. Skating Club registration is open, check out their Facebook page for more info.

The Curling Club is looking for members. Unfortunately, memberships have been slowly dwindling and we are now at the cross road of making the tough decision if it is beneficial to put the ice in. League curling is Monday nights and with enough interest, we would love to run an afternoon curling program as well. For any questions or to register, call/text Rachele at 306-482-7904.

The Golf Club had a very busy year and the weather just keeps hanging around for us all to enjoy another round! The AGM is set for October 13 @ 7:30, there are executive positions that need to be filled before planning for next season can start.

The Ball Diamonds have been host to the Carnduff Lacrosse field lacrosse fall program. There are many kids registered, learning a new sport and having a great time playing a few games. They play their home tournament this Sunday, October 2. Go check it out, it sounds like a great program.

We hope you have a safe and healthy fall, and we'll see you at the rinks!
