

May is here and what a spring we have had so far! Hoping you have been enjoying the sunny days we are now starting to have and looking forward to warmer temperatures!

WALKING AT NIGHT

Now that we are starting to see warmer temperatures, we are seeing more people out and about on our streets. It is so great to see people out being active and enjoying themselves. We would like to remind people to PLEASE wear bright or reflective clothing when walking after dark. It is sometimes hard to see pedestrians once the sun sets and so wearing reflective clothing helps motorists see you! We would also like to remind residents to please slow down and watch for bikers and pedestrians!

MOBILE HOME LOTS

Did you know the Town has mobile home lots for sale at a very affordable price? Mobile home lots average the size of 60 feet wide by 100 feet deep. The price is \$1,000 plus GST. Contact our admin office if you have more questions or are interested!

ADVERTISING

Is your business or community organization looking for more ways to advertise? If so, the digital sign might fit your needs!

A business can advertise yearly on the sign (change your ad, on average each month) for \$200 per year. This also gets an advertisement in this monthly newsletter.

A community service organization can advertise for \$100 per year. Like a business, this allows for a change of advertising, on average, once a month and gets you an advertisement in this newsletter.

Maybe a yearly commitment isn't what you are looking for, if not we do offer per event/message advertising. The cost for this is \$50 per event/promo for businesses and \$25 per event/promo for community organizations.

Where do these revenues go? Any revenue generated from this advertising goes to the monthly internet and power bills and towards future repairs and replacement costs.

E-BILLING

We are still looking for residents who would like to receive their utility bills by email. We are currently at just over half of all utility bills being emailed! If you would be interested in signing up, give us a call 306-482-3300, email at info@carnduff.ca or text us at 306-482-8205.

REC REPORT

Could spring really be here? Opening date for the Carnduff Golf Club is May 2/23! We are welcoming Kelly Gilroy as our manager this season and look forward to once again operating the clubhouse. Tee times and check in before your rounds will be required this season, call the clubhouse at 306-482-3919 or just pop in for available times. Our hope with tee times is to better track rounds played and to have the opportunity to interact with our members again. Memberships are due June 1/23 and can be paid at the clubhouse this year. The golf club is also hoping to build an email database to have a way to keep our members informed, if you would like to be added to this list, please send an email to carnduffgolfclub@sasktel.net

If the sun stays out, we will be on the diamonds the first week of May. We have 14 minor ball teams this year as well as the Senior Men's Astros team! We are very excited to see the sport grow and are so fortunate to have the facilities to accommodate that many teams and kids. Minor Ball Day is set for Saturday, May 27th where you have a chance to see all teams participate. We are also hosting a double header with SE Twins 18U AAA vs. Moose Jaw on Sunday, May 28th. All schedules can be found on the Town of Carnduff website under Resources – Rec Schedules.

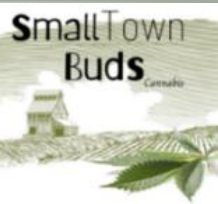

Carnduff Swimming Pool staff has been hired and we are excited to start the season. We plan to open the middle of June, however, like everything else will depend on the weather turning around. Lesson weeks have been set and the online registration link can be found on the Carnduff Swimming Pool Facebook page. With the Canadian Red Cross discontinuing Water Safety programming, we have made the decision to offer Starfish Aquatic swimming lessons. We are very excited about this new program and hope for a seamless transition. If you have any questions about registration or lesson levels, give Jodie a call at 306-339-7687.
