

October is here! That is so hard to believe! We hope you have been enjoying the fall weather!

WATER

We hope that you are enjoying the upgraded water! It appears it is making its through the distribution system at a pretty good rate. Hydrants will be flushed on Tuesday, October 3rd which will help to get the water moving in any lines that do not have much demand.

If you have questions about the new water, we urge you to contact the office and we will do our best to answer them or find an answer for you!

Once work has fully completed, we do plan to have an open house at the plant for residents to come and check it out and see how it works.

RECYCLING

There are some additional recycling options for residents that you may have noticed advertised in the community.

Household Batteries

We now accept household batteries to be recycled at the Town Office. We are working with call2recycle to offer this program. Items accepted include rechargeable and single-use batteries weighing 5kg or less each. This includes alkaline, lithium primary, lithium ion, nickel cadmium, small sealed lead acid, nickel metal hydride and nickel zin. No wet-cell, damaged or defective batteries are accepted.

Automotive & Agricultural Batteries

The local Lions club is participating in the *Lions Environmental Cleanup Used Battery Collection*. Effective immediately automotive and agricultural batteries can be dropped off for recycling at the R.M. of Mount Pleasant No. 2 shop. If you require more information, please contact Bill Smith at 306-482-3603 or talk to any Carnduff District Lions Club Member.

Cell Phones/Charges/Cords

The Town Office has been working with Recycle My Electronics to start accepting cell phones, charges, cords, earbuds and earphones to be recycled. We hope to roll this option out for residents in October so please stay tuned!

In the Spotlight

The Annual Terry Fox run at Carnduff Education Complex was held on Thursday, September 28th. The total amount of funds raised was \$9,406.45. Congratulations on a successful fundraising event!

Carnduff USED TIN For Sale by Tender

Used tin to be tendered as one grouping.
Successful bid will be responsible for pick-up.
To view what is available, please contact the Town Office at 306-482-3300 to make arrangements.

Tenders to be received by: Noon on Friday, October 6th, 2023

Submission of tenders: Dropped off at 1312 Railway Avenue, mailed to Box 100, Carnduff, SK, S0C 0S0 or emailed to info@carnduff.ca

Tenders to include: Price of tender being submitted.

Tender Note: Highest tender or any tender not necessarily accepted.

REC REPORT

The ice is going into the Arena this week! Power skating and conditioning camps will begin the first week of October. Skating Club registration is open, check out their Facebook page for more info. We held a cleaning bee at the end of September and can't thank everyone enough for coming out to help. It didn't take long to have the place in shape for ice installation!

The Curling Club will be installing their ice the start-mid November. Watch their Facebook page for details on a youth program as well as all other happenings. If you have any questions or are interested in curling this year, please reach out to Rachelle Apperley at 306-482-7094. The AGM is scheduled for October 16th at the curling rink.

The Golf Club had a very busy year and the weather just keeps hanging around for us all to enjoy another round! The last day for the clubhouse will be October 15th. Plans are being made for a wrap up celebration, watch their Facebook page for further details.

We hope you have a safe and healthy fall, and we'll see you at the rinks!

TUESDAY OCT. 3RD 6 TO 9 PM

Low water pressure and some discolouration may be experienced. Please refrain from doing laundry during this time! Thank you for your patience!

Thank you to the local fire department for your help with this annual maintenance!!

FIRE HYDRANT FLUSHING

Wishing you a wonderful long weekend!

The Administration Office will be closed on Monday, October 9th!
