

GOING ON HOLIDAYS?

Do you have a holiday planned where you will be away from your home or property for more than a day or two? We would like to share with you one tip that just may save you time, money and a big headache! If leaving for any length of time, we recommend you shut your water off inside your property prior to leaving.

Each property with a water service should have a shut-off valve located near the water meter. Simply turn this valve off while away. If a line was to happen to spring a leak or the power

was out for any length of time it could cause frozen lines. If your water wasn't shut-off you could return to a big mess and hefty water bill which no one wants!

PET LICENSES

Near the end of 2022 a new Animal Control Bylaw was passed. Under the new by-law, all dogs and cats over the age of 3 months are to be licensed in the Town of Carnduff. All licenses are now for the lifetime of the animal and at a cost of \$50. To get your license, simply stop by the Town office or you can email us your information and make payment online through bill payments or e-transfer to info@carnduff.ca

If paying for your license online, please email us the following information regarding your pet to info@carnduff.ca:

- Specify if a cat or dog
- Pet's name
- Pet's age
- Is the pet up to date on immunizations?
- Is the pet spayed or neutered?
- Brief description
- Updated picture of your pet

Once we receive all of the information and payment, we will forward an identification tag to you.

COMMUNITY EVENTS

For anyone who follows the Town of Carnduff on social media, specifically Facebook, you may have noticed we have started posting a weekly and weekend events schedule every Monday and Friday. Our Facebook feed can also be found on our website

Recently two residents, 4 former residents, and many individuals from the southeast were recognized with a

QUEEN ELIZABETH II JUBILEE AWARD

A BIG CONGRATULATIONS to residents:

Vi Day for her *Contributions to Women* and

Jeff Young for his recognition in *Protective Services*.

Congratulations to former Carnduff residents *Jadon Carnduff*, for his recognition in *Volunteer Service*, *Cindi McAuley* in *Health Care* and *Lloyd and Jean Thompson* for their recognition in *Agriculture*.

Best wishes to all recipients of these well deserving awards!

for those that are not Facebook users but would like to see it!

All events found on these postings are also listed on either our community calendar found right on the homepage of our website or the arena schedule (for rink activities), ball schedule (for ball activities), pool schedule (for pool activities). If you are involved in an organization and would like your events or meetings, etc listed on the community calendar and these weekly postings, please send us the information. It can be emailed to info@carnduff.ca or send a text to 306-482-8205. The listing is free of charge! We just want our residents to know what is going on around our community and you just never know, there may be something happening you

would like to be a part of and weren't aware it was happening in our very own community!

REC REPORT

It's getting to be the busiest time around the arena. Playoffs will be starting by the end of February and provincial's have already started for the

U13's. The live calendar found on the Town of Carnduff website is always changing this time of year, be sure to check it often for schedule changes. Chair yoga has also started Tuesday's and Thursday's at 10:00 am in the lobby of the arena. Give Jodie a shout if you would like more information!

Our annual Arena Lottery draw is February 11th, 2023. If you would like a ticket before the draw, give Jodie a call at 306-339-7687. This year's prizes are a ½ Beef cut and wrapped or a Traeger Smoker.

The Curling Club is hosting an open mixed bonspiel on March 10, 11 & 12, 2023. To enter, call Alex at 306-482-8308 or Rachele at 306-482-7094. Our Youth Curling program started at the end of January and has been well received so far. Thank you to ChampionX for supplying a drink and snack for all participants of the program.

The ball diamonds will be looking for maintenance staff very soon. I think the season is going to sneak up on us and the grounds should look fantastic with all this extra moisture we have been receiving.

An online survey was posted regarding community volunteerism. We received some great feedback and are still open to any suggestions you have. If you missed seeing the link and would like to fill in the survey or have suggestions to discuss, let Jodie know. An informational newsletter regarding all our boards will be in your mailbox soon.

Don't forget the Rec Board has snow shoes to lend out, the amount of snow we have has kept borrowing at a high. Please prebook with Jodie if you would like to try them out!

Get out and enjoy the snow! Stay safe and active!

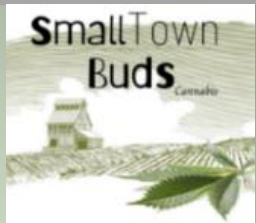

Do you know what an Auto Extension package can do for you?

Not only can you buy down your deductible but you can add optional coverages such as Road Hazard Glass, Increased Liability Limits and Loss of Use Coverage.
Added BONUS – NO deductible paid for Animal Collision!
