

Hoping

everyone is having a great summer so far. We hope this edition of "The Scoop" finds you well!

LAGOON PROGRESS UPDATE

Work has commenced once again at the lagoon. Contractors have been busy preparing the base for the liner. The liner should be installed in the near future.

We are currently working with the engineer to confirm details to proceed with phase 2. This includes the pumping station work.

BUYER BEWARE

We would like to remind residents when buying a new home or business there are a few things they should be aware of. When a property is purchased, be sure to check on unpaid taxes and utility accounts. This can be done by requesting a Tax Certificate for a fee of \$20. Any

unpaid taxes or utility accounts which are not included in the sale agreement become the responsibility of the new owner.

WHAT IS THE COMMISSIONAIRES ROLE?

The Town of Carnduff contracts the Commissionaires of Saskatchewan to perform bylaw enforcement for our community. In the summer months they are hired to attend town twice weekly to ensure bylaws are being followed. The two main bylaws that are focused on include the Nuisance Bylaw and Traffic Bylaw. Officers use their judgment when notices or warnings need to be issued. They will also tend to issues that have been received by the Town Office.

BACK ALLEY REMINDER

We would like to kindly ask residents cooperation in maintaining yards between fence lines and the back alley.

We thank you in advance for your cooperation in maintaining these areas.

Did you know that the swimming pool calendar can be found online?

From a mobile device:

Visit www.carnduff.ca and search for Recreation Schedules then click on Carnduff Swimming Pool Schedule (You can then book mark it to your home screen so you have it handy)

From a computer:

Visit www.carnduff.ca and click on Resources/Rec Schedules and then click on the Carnduff Swimming Pool Schedule

FALSE ALARM EMERGENCY CALLS

Did you know in January and February of this year, 50% of the calls to our fire department were false alarms?

False alarms can cost the Fire Department a lot of money

throughout the year. If false alarms continue to increase, the Fire Department may have to start charging a fee for these call outs.

It is important for property owners who have alarm systems to ensure they understand how they work. With some systems, the simple task of changing a battery can set an alarm off. Some systems use a phone line to send the alarm, this will utilize the land line that is the first listed call number in an emergency which then proceeds to the next number which can be emergency services.

A WALK TO REMEMBER

Some residents may have noticed some additions to the "A Walk to Remember" history walk in town. Five new boards have been added so far this year with more still to be added. We hope residents and visitors are enjoying this dedication to the history of our community. Anyone interested in donating to this project may still do so at the Town Office and receive an income tax receipt for their donation.

REC REPORT

Man is it hot out there...Summer is in full swing and there is a lot of fun going on at the swimming pool. We have already had 2 great sessions of lessons with the 3rd session just around the corner. Keep your eyes open for posters around the pool of upcoming events such as our Diving Clinic August 1st and our Water Polo Clinic August 8th.

Pee Wee Provincials will be going on at our ball park July 27th to 29th and we will have

extended pool hours for that weekend as well. The Carnduff Mens Senior Team will also be hosting Provincials August 10th to 12th. So get out there and enjoy the sun and no complaining about the heat...winter is not that far off!
